Bay City, MI, United States | 989.415.0867 | lorenzoramirez122@gmail.com | in/lorenzo-ramirez-jr | lorenzoramirezjr.com

SUMMARY

Software Developer with 3.5 years of experience creating professional corporate applications, along with various web and mobile applications. Strong background in front-end technologies, such as JavaScript, React libraries, HTML, and CSS, with additional exposure to back-end systems.

PROFESSIONAL EXPERIENCE

ARDEN COMPANIES

IT Analyst, Co-op

Bingham Farms, MI, United States

January 2020 – October 2023

Developed 2 automation services to retrieve and validate product documents and 1 mobile application to record products during shipping process. Spent a semester in IT support troubleshooting software and computer issues.

Document Retrieval Automation Services

- Retrieved product-related documents for financial disputes using Outlook API, Liaison EDI API, and SnapLogic.
- Trained departments on how to effectively use this service through team and individual virtual meetings.
- Reduced manual document retrieval time by 60%.

Shipping Product Validation Mobile Application

- Tracked e-commerce products within a mobile dashboard using React Native and SQLite for database.
- Reduced manual validation time by 30%

EDUCATION

KETTERING UNIVERSITY

Bachelor of Science: Computer Science, Artificial Intelligence Concentration

Flint, MI, United States

March 2024

- Dean's List Recipient – Fall 2023

PROJECTS

YOUTUBE REGULATOR EXTENSION

Web Application

github.com/LenchetoFC/youtube-usage-regulator

February 2025

- Increased user productivity by 25% using Chrome API, JavaScript, HTML, and CSS.
- Restrict specific buttons and pages on YouTube that facilitate over-usage.
- User watch time tracking gives insight into user watch habits.
- Event scheduling tool to restrict YouTube automatically during set events.

PERSONAL PORTFOLIO WEBSITE

Website

lorenzoramirezjr.com

September 2024

- Highlighted projects and experiences using JavaScript, HTML, CSS, and web hosting services.
- Acts as a first impression of my experience and personality.
